281/5/ 2021	Public Participation: The agent was in attendance but declined to speak. Then 4 members of the public expressed their concerns about application PA21/03078 and spoke against it. Standing Orders now applied.	
282/5/ 2021	Planning applications for consultation: Application: PA21/03078 Proposal: To create a new access and construct a new entrance track to Tredrizzick Barn including a turning and parking area. Location: Tredrizzick House, St Minver, Wadebridge PL27 6PB. Objection proposed by Cllr. Dingle, seconded by Cllr. Hutley. Agreed unanimously. Reasons for objection as follows: <ol style="list-style-type: none">1. The development is outside of the NDP building boundary.2. Highways and safety issues - this junction is on a very narrow part of the busy road and children walk along this road to and from the bus stop.3. Approx 90m of Cornish hedge will have to be removed to make way for the junction, which goes against the NDP.4. There is already an existing access track which is perfectly adequate. The new access track is therefore unnecessary.5. The Parish Council fully supports the objections raised by residents against this application. Matters of Public Interest/Date of next meeting: Wednesday 19th May 2021 in the Perceval Hall. There being no further business, the meeting closed at 19.22 hrs.	Clerk to notify CC. Done 09.05.21
